	> 20mm (3/4")	at cost	at cost

² Account deposit is due at time of establishing an account and kept until account is closed. The deposit may be applied to the account to cover outstanding charges at account closure.

⁵ Installation of water service from the watermain in or under any highway (and whether under Provincial, Regional, or Town jurisdiction) to the limits of the private property abutting on such highway, to a maximum length of approximately 15 metres.

⁶ Deposit based on the estimated installation costs, balance of deposit is refunded or collected pending final account of actual costs of the service installation.

⁷ Cost may vary as per amount established by Regional policy.

⁸ The charge for turning the water supply on or off to a private water service other than a new service.

⁹ Flat rate includes on and off charges regardless of when the respective services are carried out.

^{10A} Town will supply and install the meter with radio frequency transmitter at cost to the applicant.

^{10B} Town will supply the meter with radio frequency transmitter to the applicant at cost to the applicant. The applicant is responsible for installing the water meter through a licensed plumber.

¹¹ Radio Frequency Transmitter water meter is required for all new water meter installations.

¹² A meter rebate may be allowed for an existing meter provided it is being replaced by a larger meter within the same building or premises and the rebate shall be subject to an inspection of the existing meter by the Town.

¹³ A one time water bill reduction for extenuating circumstances is available with the following stipulations:

a) A standard rate is applied to the water consumed within the property owner's historical usage.

b) Historical usage is determined using a 3 year average for a given period if available.

c) Overage will be charged at the current treatment rate charged to the Town, plus a 10% administration fee.

d) Overage is any water consumption that exceeds the property owner's 3 year average for the period.

e) Decision would be subject to the discretion of the Director of Finance/ Treasurer based on justification provided by the property owner.

¹⁴ A Manual Meter Read/Refuse Access fee may be credited if the customer grants access to investigate and/or exchange the meter prior to the next scheduled billing date. Fees will continue to be applied until necessary work has been completed. Only the most recent fee is eligible for credit.
